

## **4-H Volunteer Leaders' Association of Texas Board of Directors Application for District Delegates**

The Board of Directors serves as the governing body of the association and shall consist of the officers, the 4-H Foundation representative, and two delegates from each Extension District. Any active 4-H volunteer and member of 4-HVLAT is qualified to be elected to the board of directors, each serving a two-year term.

Applications must be supported and signed by the volunteer's County Extension Agent and then forwarded to their respective district office by the designated deadline. District Leadership Teams (District Extension Administrator and District 4-H Specialist) must also support the application and forward it to the state 4-H office. A selection of two volunteers per district will then be made by the VLAT Selection Committee.

The Board of Directors will meet four times per year, two face-to-face and two conducted via technology. The 4-HVLAT will also have one "annual" business meeting for the purpose of promoting and carrying out the association objectives, receiving reports, electing officers and transacting business.
