

4-H Hunting and Wildlife Project Coach Training

2017/2018 4-H Year

4-H Hunting & Wildlife Project Coach Training will expand this year. To increase the number of offerings and locations around the state, the training will be added to three of the six Region Trainings scheduled for the year. The 4-H Hunting and Wildlife Coach Training will have a separate registration on 4-H Connect but will run concurrently with other shooting discipline trainings at the three Region Training sites. The training will cover all firearm types used in a 4-H Shooting Sports Hunting and Wildlife project; rifle, shotgun, archery, and muzzleloading. All participants will also receive the Texas Hunter Education Instructor Certification.

The 4-H Hunting & Wildlife Coach certification allows:

- the adult coach to lead 4-H youth through a hunting project and use live fire
- the adult coach to train 4-H youth to participate in the Hunting & Wildlife events at the 4-H State Games and the Youth Hunter Education Challenge sponsored by NRA

Region Trainings where the 4-H Hunting & Wildlife Coach Certification will be offered:

- South Region – Uvalde, November 11-12, 2017
- Central Region – Stephenville, February 10-11, 2018
- North Region – Lubbock, March 24-25, 2018

Registration: On 4-H Connect (<https://texas.4honline.com>). Registration fees include meals for Saturday lunch and supper, Sunday lunch, 4-H curriculum, and all shooting expendables.

The trainings will run from Saturday morning into the evening and continue Sunday into late afternoon (~4 p.m.).

Registration Deadline: Refer to the specific Region Training
