There have been many changes over the past few years on the District and State level. One major change for 2019 is that the 57th Annual Texas State 4-H Horse Show will be taking place at the Brazos County Expo Center in Bryan, TX (July 21-27, 2019).

There are also rule changes for 2019 that 4-H families need to be aware of:

- **At the 2019 District and State 4-H Horse Show, there will be two age divisions: Junior (Grades 3-8) and Senior (9-12).**
- The 2019 Texas 4-H Horse Show Rules and Regulations has all the changes, with important revisions in red type. All 4-H'ers and families should be familiar with these revised rules. The 2019 Horse Show Rules & Regulations can be found at:
<https://animalscience.tamu.edu/livestock-species/equine/state-4h-show/>

We will again have individual packets for each exhibitor, therefore the contestant or their parents may pick up their individual packet solving group or county packet problems.

Remember: The Texas Animal Health Commission will be requiring horses to have a negative EIA (Coggins) Test within the previous 12 months before being mingled with other horses at competitive, social, or exhibition events. Therefore, we will be requiring a negative Coggins Test on all horses entering the grounds.

Assignments for those assisting with Horse Show will be coming soon.
