

Class #5

Earbuds

Julie participates in cross country at school and her coach allows her to wear earbuds while practicing. She wants to purchase a pair of earbuds so that she can listen to music while running. She is looking for a earbuds that are Bluetooth so they will easily connect to her music playlist from her phone.

Julie's running path is close to a railroad track and she wants to block out the sound of the trains when they come by. They also need to be water resistant.

1
