As in the past, the contest will consist of a rail of twenty fleeces and two commercial classes with reason/questions. Participants will be allowed 15 minutes on each class and 30 minutes on the rail. Contest officials reserve the right to time contestants, allowing 1 minute on each fleece on the rail. We will consider all fleeces sound in the classes and on the rail, but will consider breaks to answer the questions on the scantron. I will need coaches and leaders to help serve as group leaders and timers.
