Where do we donate these blankets to?

Counties may choose to donate these blankets wherever they like! You may donate them locally or you may bring your blankets to the District Office, and we can distribute them throughout the Lubbock area.

Here are some ideas of places in your community who may be interested in the blankets:

Assisted living facilities, hospitals, daycares, shelters, churches, etc.

How do we report our blankets made & donated?

County Extension Agents have access to a form to report blankets made each month! If you make blankets independently from your club, make sure you send proof of your blankets to your County Extension Agent so that they can report your blankets!
