*There is a gift shop – we do not necessarily have one built in for campers to go to the gift shop, but some may choose to during mealtime or free time. **If you choose to send money with your camper, just know it is their responsibility to keep up with their money!**

*Please be mindful of the length of shorts and no halter tops or midriff showing - **modesty is always best!**
Same goes with swimsuits – one-pieces or tankinis are preferred for girls!

*Cell service is minimal, so I would encourage you to leave electronics and cellphones at home! We will not allow campers to take them outside of the dorms during the day.
