Counties may bring as many junior, intermediate, and senior individuals as they wish. These shooters will compete for individual awards.

Reminder: As determined by the District Shooting Sports Task Force, Senior shooters (participants only) will be allowed the opportunity to review their targets and will have a protest procedure if they disagree with their scores. This is similar to the State Contest. Again, it is the shooter's responsibility and option.

Dress Code

Participants and spectators are required to dress appropriately. Team uniforms or shirts are encouraged, but not required. Both young people and adults should wear attire appropriate for the weather while remaining modest and socially acceptable. Shooters must wear a shirt with sleeves. Clothing deemed immodest or distracting to other shooters will not be permitted. Where eye and/or ear protection is required, fully enclosed shoes must be worn for safety reasons for both shooters and spectators. This includes in front of the firing line when checking targets.
