

## **District 2 4-H Council Officer Election Information**

*Elections will take place at the North Region Senior Power Camp*

The term will be from August 1, 2025 and ending July 1, 2026. Officers should pay close attention to the required events. **Officers are held to even a higher set of expectations. Officers NOT meeting the requirements will be reviewed and could be removed from the District 2 4-H Council by the Advisors and the District 4-H Specialist.**

It is expected that council members will also fulfill responsibilities at the county and district levels. Not completing the requirements at those levels has repercussions that follow to the district / state level. For those officers serving on Texas 4-H Council, being removed from the position that elevated you to that position means that you will also be removed from Texas 4-H Council.

Advisors utilize several ways of communication to make sure members are aware of dates and upcoming responsibilities. These methods include Group Me, Facebook, and email messages as well as personal texts. There is not an excuse for a District 2 Council member to not be aware of their obligations.

## Election Process:

Officer positions will be determined by equal parts

- peer vote based off of speeches
- interview score
- application score
- speech score (scored by judges)

The combined scores will determine the rank of officer positions. That ranking is:

President, 1<sup>st</sup> Vice President, Secretary, and 5- Delegate At-Large officers.

\*Candidates may choose to run for all positions or only select a few positions that they would be willing to serve in. However, if a candidate chooses to only run for President, even if their combined score was the 2<sup>nd</sup> highest, they would be out of the running for any other positions.

At the conclusion of the camp officer positions will be announced.
